

MELPAT DINON 700WG

PRODUCT RELEASE NOTE

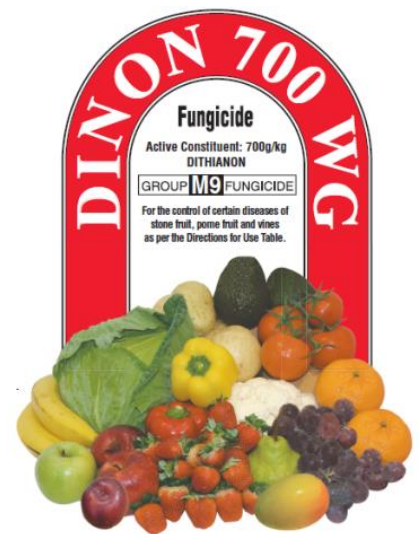

We are pleased to advise the addition of this highly versatile Product to our Product Range.

Melpat Dinon 700WG comes with excellent technical attributes:

- A wettable granule formulation
- Effective particle size spectrum.
- Excellent dispersant characteristics.

Pack Size: 1kg & 2.5kg Plastic Containers

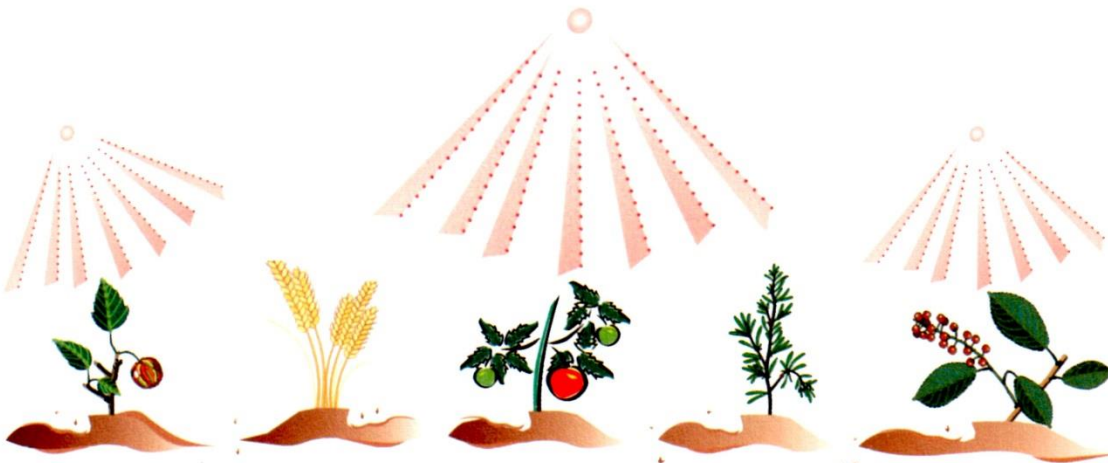

The Melpat Dinon 700WG Label is all encompassing and includes stone fruit, pome fruit and vines (see attached for details).

Limited quantities will be available this season and we look forward to your support.

Regards,

Hamish Turner
Director / Technical & Product Development
